ROUND TABLE 2025 CONFERENCE

**Two Nations
One Vision**

10th-11th July, 2025 | Cinnamon Grand Hotel, Colombo, Sri Lanka

For The Very First Time Celebrating
The Women Gems In The Print Industry

Initiated to celebrate the Printer's Day, Mumbai Mudrak Sangh (MMS) launched its 1st Edition of Round Table in 2016 with the ambition to put on its tables, the newest in Print and Packaging. And ever since, the Tables have only grown in terms of their subjects, substance and participation.

WELCOME TO THE EVER-EVOLVING CIRCLE OF PRINT

In keeping with its tradition of arming the printers' forum with knowledge and knowhow that gives them an edge, as well as aids them in combating an array of challenges of modern print & packaging businesses, MMS once again brings together its ever-growing "Circle of Print" at the 8th Round Table Conference on 10th and 11th July 2025 in Colombo, Sri Lanka.

8 ROUND TABLE SUBJECTS. INFINITE TAKEAWAYS.

The MMS-8th Round Table will feature 8 Subjects across 8 Tables, lead by a Circle of Distinguished Dignitaries in their respective arenas of expertise. Thus further bonding and enlightening all those who are Together in Print, Together by Print and Together for Print.

THEY LEFT THE ROAD. CHOSE THE TRAIL

They didn't follow the map—they drew their own. Visionaries who bet on themselves before the world even noticed. They believed in their purpose, trusted their gut, and stepped boldly into the unknown. Where others saw limits, they saw beginnings.

A PRECIOUS DISCOVERY BY MMS & SLAP

After an extensive search across the vast landscape of global Print & Packaging, **MMS & SLAP** is proud to unveil a remarkable group of individuals—the true Hidden Gems of the industry.

These quiet innovators have shaped the sector with their unique expertise, unwavering dedication, and an unspoken passion for excellence—not in pursuit of fame, but in service of their craft.

At the **8th Round Table Conference in Colombo**, we shine a well-deserved spotlight on those who've made a lasting impact behind the scenes. Their stories inspire, their work speaks volumes, and their legacy sets new global benchmarks.

For the very first time, MMS-8th RT includes in its Power Meet agenda, a special session dedicated to these notable icons - The Hidden Gems.
